Bracket

Bracket Colors

Antique Brass

Black Satin

Satin Nickel

MULTIPLE SHADES IN ONE CASSETTE (2-ON-1)

CONTINUOUS CORD LOOP & MOTORIZED

Available with both arc and square cassettes in either 3" or 4" size.

Controls will be on the outside end of each shade.

Center gap of 0.98" between shades.

Cassette inserts or wrap will be made to the maximum width of the fabric. Wider inserts must be spliced or railroaded.

IoT Connectivity

Seamlessly Integrating Your Smart Home

The Connector platform is designed to work seamlessly with numerous leading smart home platforms, including Amazon Alexa, Google Home, IFTTT, and Samsung SmartThings. Whether you have Wi-Fi-enabled window-covering motors/receivers or traditional ones (when used in conjunction with the Connector bridge), after a quick and easy setup, you can control them using the apps or smart home speakers associated with the mentioned platforms.

This integration allows your window coverings to harmonize effortlessly with other types of smart home devices in your home via cloud-to-cloud, providing you with endless possibilities for a truly connected and convenient living experience.
